Linda,

Well here go nothing. I will remember all the money we have spent together! The places we have gone and the things we have done. I hope we will be friends always. And I do hope you will never forget the Iron and darling Walter. Haugh! Well I had fun anyway. I wish I could graduate with you but that is the way things go. I don't think we could ever forget because of all our pictures. Ha! All but I have two million dollars in pictures alone. It is going to be a dull school year next year. If we write to each other. Which I will always write unless I break my arm. Ha! Don't forget our mixed cokes and those darned old crossword puzzles. Never forget the number 225, that's our good old locker Number. Remember how you were always to short to reach the top of our locker. Ha! Shorty! I couldn't make a visit at the banquet so I'll make one now. I Patsy Nolan visit to Linda Metz all of the height so she can reach the tops of our lockers.
